

20-bu 3-Point Hitch Material Collection System

For 1 and 2 Family Compact Utility Tractors

Part Number
LP65048

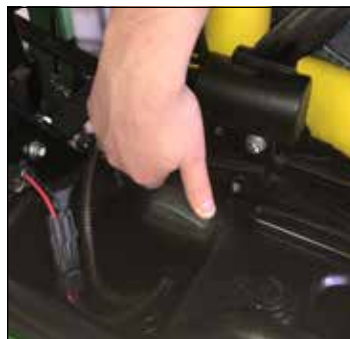

Making Collection Simple

Whether you're collecting grass clippings in the summer, or gathering leaves in the fall, a Material Collection System (MCS) can greatly enhance your productivity. Now, the John Deere 20-bushel 3-Point Hitch MCS for 1 and 2 Family Compact Utility Tractors brings about a whole new meaning to the acronym "MCS": Making Collection Simple.

Key Features

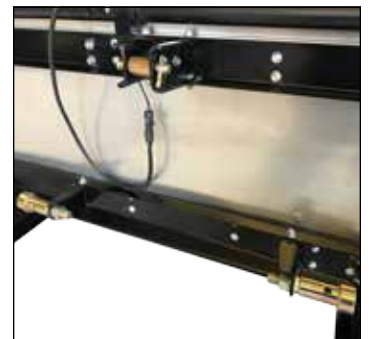

20-bushel hopper
provides large capacity for long periods of mowing

Dump-from-seat
push-button unloading for clean and easy operation

Two integrated stands
make storage fast and convenient

iMatch™ compatibility
for easy hookup and removal in seconds
