

# Tow-Behind Sprayers

15, 25, and 45 Gallon Models

45 Gallon Model

## Product Description

No matter your requirements, we have the tow-behind sprayer to fit your needs. These premium tow-behind sprayers are especially suited for maintaining residential and small commercial properties and they prove to be an excellent way to apply spray material including liquid fertilizer, weed killer, tree spray and de-icer. Each model comes equipped with a 19-foot hose and a spray wand with fully adjustable brass spray wand tip that achieves streams in excess of 30 feet. Ideal for spraying fruit trees, shrubs, etc.

Model	Spray Width	Boom Width	Hose Length	Tire Size
15 Gallon	60"	30"	19'	4.10 / 3.5 x 4
25 Gallon	90"	60" folding	19'	4.10 / 3.5 x 4
45 Gallon	120"	90" folding	19'	15 / 6 x 6
