

ZTrak™ Boarding Steps

For ZTrak™ and EZTrak™ Mowers

Mount and Dismount with Ease

The New ZTrak Boarding Steps allows for easier mounting and dismounting of Deere zero-turn mowers. A complete bolt-on solution, this kit attaches directly to the left side of the mower frame with ease. Mounting bracket and hardware are included. Two different models are available to fit EZTrak or Ztrak mowers.

Model	Compatibility
LP66653	Fits all EZTrak Z200 and ZTrak Z300
LP66655	Fits all EZTrak Z400, Z600 and ZTrak Z500
